The sport of Skirmishing combines Civil War era weapons with marksmanship competition. It's a fast paced hobby that's both fun and educational.

Marksmanship competitions (Skirmishes) are open to both **men and women**. Competitors dress in authentic civil war era uniforms and clothing, and shoot either original or replica firearms.

Skirmishers join together into teams representing specific regiments that participated in the Civil War.

A typical skirmish includes:

**Individual Competition**, using muskets, carbines, and revolvers, shooting at paper bulls-eye targets at ranges from 25 to 100 yards.

**Team Competition**, using muskets, carbines, revolvers, mortars and cannons shooting breakable targets, teams are judged on both speed and accuracy.

At the end of competitions, awards are presented to the top individuals and teams in each category.

The American Civil War Shooting Association (ACWSA) is a non-profit organization dedicated to preserving Civil War history through the sport of skirmishing

The teams in the WI/ILL Region of the ACWSA represent the following units:

Union:

1st US Sharpshooters  
2d Volunteer Infantry  
6th Volunteer Infantry  
8th Volunteer Infantry  
15<sup>th</sup> Volunteer Infantry

Confederate:

56th Virginia Infantry  
66th North Carolina Troops

**Annual Dues:** New members get their first year free! Returning members pay \$10 annually.

---
