

Minutes 7:00 PM, 5/5/2016 Conference Call
RE: 2016 ACWSA Nationals
Recorded by: Gary Van Kauwenbergh
Written: 1/6/2016

Attending: Bob Chabalowski, Norm Gibson, Paul Lipka, Gary Van Kauwenbergh, and Mike Zandarski

Thanks again to Paul Lipka for coordinating the conference call. The meeting convened at 7 pm, Wisconsin time.

I took the liberty of trying to group my notes together by topic, so some items may not be in the order they were discussed.

Action Items:

1. Paul will contact someone from the 19IN and confirm we're not missing a registration.
2. Paul Lipka will be drafting a proposal for using paper revolver cartridges, and sending it to JAG Dan Graff for review and Gary Van Kauwenbergh for distribution and voting.
3. Bob will let us know what size wrenches we need for the frame lag bolts.
4. Bob will contact Gene Hass about bringing enough ammo.
5. Bob will contact Doug Steinke and ask if the overhangs have power outlets.

Minutes:

1. Paul confirmed no one from 1MI was coming, but wasn't sure about the 19IN. Paul will contact someone from the 19IN and confirm we're not just missing a registration. Gary confirmed no one from the 6WI was coming, and that the 8WI had two people coming on the 2WI roster, but would not be there as a unit.
2. Norm stated he would be bringing enough pigeons for all the MI teams, and that all of them were full-orange, as opposed to those with the black back or rim. Gary had no idea what the WI teams were bringing, but suggested that if mixed pigeons were an issue, we could just trade some with each other at the commanders meeting.
3. Non-standard team sizes were discussed. Norm pointed out that the 7VA, who wanted to field one team of seven, only registered five, so that should no longer be an issue. Paul pointed out another team was bringing eight shooters, and wanted to field two teams of four, because of family pairs. Gary pointed out that all such requests are made at the commanders meetings and voted on by the commanders at the competition, not in advance.
4. There was consensus that no unregistered competitors would be turned away, but hopefully any late-comers would let a registered unit know so we can make sure we have enough targeting.
5. Paul Lipka will be drafting a proposal for using paper revolver cartridges, and sending it to JAG Dan Graff for review and Gary Van Kauwenbergh for distribution and voting.
6. Bob Chabalowski said the range gate would be unlocked at noon on Thursday. There will be a club event there at 5, so we have a 4-5 hour window to get our prep work done and get out of their way.

7. Bob's list.

a. We need to assemble frames. Bob will let us know what size wrenches we need for the frame lag bolts. We will have extra cross braces.

b. Saturday night meal will be Sloppy Joes. There will be a charge for the meal. He hasn't figured out the cost yet, but is sure it will be less than \$5. MI will be picking up some sides (e.g., coleslaw, potato salad.) Bob recommends contacting Martins Grocery (877-550-2433) in advance. For desserts, we're encouraging everyone to bring one to pass.

c. Bob will bring:

1. Frames
2. Paint (for lines on the ground)
3. Paper targets. Note: We will not have N-SSA revolver targets, but using Musket/Carbine targets instead.
4. Wires
5. Ties
6. Rope
7. Cardboard (for everyone)
8. PA system (MI will bring theirs too)
9. Air bottle (MI will bring theirs too)
10. First Aid Kit (MI will bring theirs too)
11. AED (MI will bring theirs too)

8. MI will bring some tables for the Sale Area.

9. Dick Tessmann will bring an ATV

10. MI has the novelty shoot covered.

11. Bob said the Chief Wa-Ke'-De club president, Doug Steinke, asked for a copy of our insurance policy, and Bob referred them to our web site. Doug will not be at the event until Sunday, and gave us this contact person: Reuben Zarria, 574-361-5735, zarria5735@yahoo.com

12. Bob said the 15 Chief Wa-Ke'-De members were interested in shooting at the hand-on table only, not in competing. Bob will contact Gene Hass about bringing enough ammo.

13. Bob said we would be handing out individual awards at the opening ceremony on Saturday, and all for all the team events except musket at the opening ceremony on Sunday. The group decided to not label all the cockade ribbons to avoid the possibility of mix-ups during distribution.

14. Norm confirmed we will be using the back of his pick-up for our tower.

15. Everyone is encouraged to bring their unit flags. There are three aluminum flag poles on the range available.

16. Someone mentioned bringing extension cords. I could not see electrical outlets in the pictures of the overhangs. Bob will contact Doug Steinke and ask if the overhangs have power outlets.

17. Bob Hubbard volunteered to score individual targets. Here is a copy of the duty roster layout:

	WI/IL Region
	MI Region
	WI/IL & MI Region

		Tower	Line Safety	Stats/Targets	Hands-on
Fri, June 10	10			Darlene VK
