

September 16th, 2023, ACWSA/N-SSA Fall “QUICK” Meeting of the Minds.

Teams represented, 29th Wisconsin, 46th Illinois, 1st USSS, 56th Virginia, 15th Wisconsin 2nd Wisconsin, and Battery H. Not present the 114th Illinois. So, we had a quorum.

The ACWSA National Board Meeting with our Michigan Contingent will be by Zoom—EXACT Time to be announced. Hopefully before the end of the Year.

New Business: The 2024 Skirmish Schedule was presented.

Discussion to keep all of the dates for next year intact, based on the fact that if we give up a weekend for one of these—the Ranges or the Clubs will give that date to some other Group, and we would have a heck of a time getting it back. That was supported by people like Dan Christensen who works for the Bristol Range that the dates for Skirmishes if held the same time every year will be safe. Same for Bristol Range and the Appleton Range.

A vote taken and the 2024 schedule done.

With the Skirmish dates for 2024 set, Discussion was held considering our declining attendance in some cases, that in the Skirmish Fliers, If your team needs help for anything, safeties, set up, lunch, to run the Skirmish etc., even targeting or cardboard be sure to put that in the Flier. To keep going we, all of us, need to step up and help. Anything else a Team wishes to discuss or present needs to be placed in the fliers. PLEASE.

Targeting—That the Region or Teams make sure that they have enough of everything to run the Skirmish. Some Skirmishes ran out of things like wires, pigeons or tiles... That our Members keep those milk jugs—keep those old pigeon ties, and either donate or make them available to other teams. Ask if you need something for your SKIRMISH!!!

The 2024 dues will remain at \$15.00 for the ACWSA Teams. Darlene says she sees no reason to increase dues at this time. All teams voted and agreed to \$15.00.

Team Rosters and Dues are to be in no later than February 18th, 2024, next year!!! Don't forget!!!

No other business discussed Bob Chabalowski stated if you have any questions or concerns for our National Zoom Meeting let him know. The meeting adjourned at 9:00 AM.

Your very handsome Secretary—Tom Arliskas—“These guys talked so fast- if I missed something sorry.
