Breechloader (3 person)	1 place	\$10 per shooter

All individuals are un-classified. Uniforms must be worn to compete in any competition, if it is hot the skirmish director will determine if uniforms must be worn. All N-SSA rules apply.

Beloit rifle club is a new range this year for the N-SSA. We will be using the western entrance “A”, it will be open at 1pm on Friday for camping set up.

Camping & Amenities: There is plenty of camping space available for trailers, tents and RV’s with a very short walk to the range. There is a clubhouse on the black powder range along with porta-potties, there are flush toilets near-by at the main clubhouse.

Food: Breakfast will be served at the main clubhouse Saturday and Sunday morning along with lunch at the range, and a pasta dinner Saturday night.

FYI: There is no cover, so in case of inclement weather, plan accordingly. The facility is 64 acres with 11 different range disciplines and will be open to club members, no-one else will be on the black powder range but us. It is all the way on the south west end of the property therefore no one will be walking through our camping area. There will also be a novelty individual target with a prize. There will be no overnight sleeping in either clubhouse.

Beloit is a large town with plenty of stores and hotels about 5 miles south of the range.

Schedule

Friday, August 21, 2020
