Information:

The targets for the 4th and 5th event WILL BE hung in the following manner:

Chicago: white/orange/blue//white/orange/blue//
white/orange/blue//jug

Green Bay: white/yellow/green//white/yellow/
green//white/yellow/green//jug

They WILL BE SHOT by any individual, one color at a time, starting with the WHITE, then going to the ORANGE/YELLOW/ then the BLUE/GREEN. The team may NOT proceed to the next color until all three of the first color are gone. Any out of turn target hit,

will result in a penalty. A cardboard 12 x 12, will be available, to be placed behind the orange/yellow/blue/green water bottles. This is being done due to the green vegetation on the brim. The cardboard can be reused, since it does not figure into the scoring. You are not obligated to use the cardboard. The JUG is the very LAST target to be hit. Reminder, any out of sequence target hit, will result in a penalty. After the Carbine/Musket events are done, the times for the 4th and 5th events will be added together to determine which team will win the NFL Central in 2021.
